

Weekly Report

Yuxin Ma

2015.11.30 - 2015.12.06

Huawei Project

This week we got new datasets from Huawei. Fangzhou has generated a new demo dataset for our testing purpose, and I connected the dataset into our latest system. The latest class diagram are shown in Figure 1

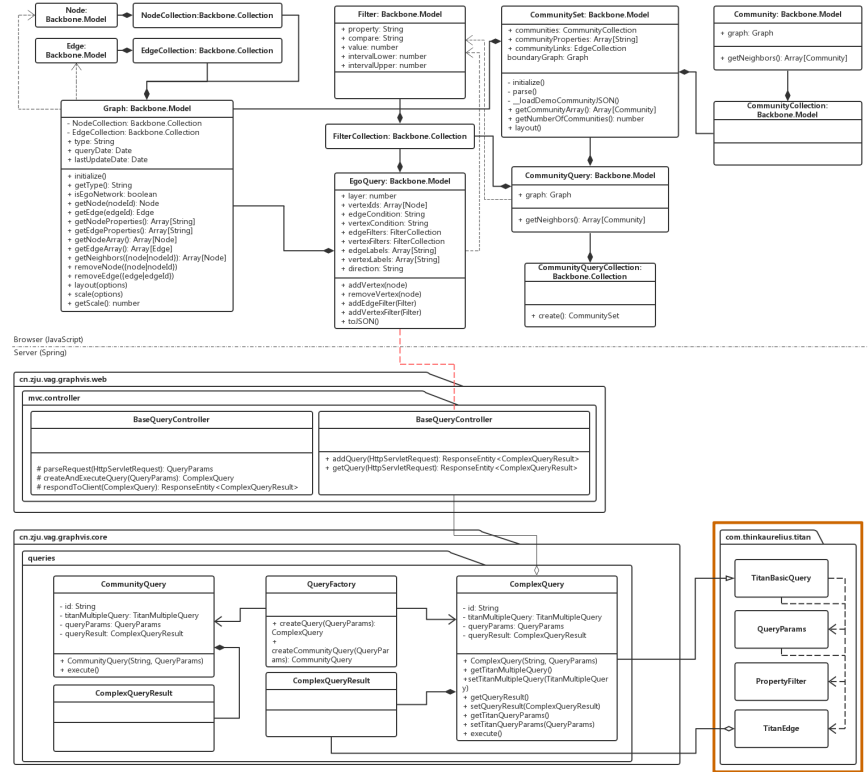

Figure 1: The class diagram of data modules. (Last update: 2015.12.04)

Plan for Next Week

- Finish the backend.
